Partnership Model

info@thinkspaceedutech.com | www.thinkspaceedutech.com

A photograph of three business professionals (two women and one man) sitting around a table in a meeting. They are all wearing light blue shirts. The man on the left is gesturing with his hand while speaking. The woman in the middle is smiling and looking at a laptop. The woman on the right is resting her chin on her hands, listening intently. The background is blurred, showing other people in a meeting room.

Ally with the Best

Be Part of the

Skyrocketing

Edutech!

Our Philosophy

Thinkspace Edutech aims to strengthen the education sector by means of technological innovations. We provide personalised learning opportunities for students to ace academic (K-12) & competitive exams, upgrade their learning, preparations and self-assessment methods, provide career analysis with advanced psychometry and help up-skill in various novel technologies.

We provide world-class online learning innovation by leveraging technology and thus assist in the learning, skill development and career of the budding youth. We are bound to open up endless possibilities of learning with our products and services and therefore to update our societal learning standards.

We invite budding entrepreneurs to partner with us in an affiliate model using our products and reap a great deal of benefits thereby.
